ABOUT SWASTHI FOUNDATION

Swasthi Foundation is a public health-driven organisation working to strengthen community wellness, preventive healthcare, and early cancer detection across India.

Through initiatives like **Cancer Safe Kerala**, statewide screening programs, school awareness missions, and multidisciplinary health outreach, Swasthi Foundation has empowered thousands with health literacy and access to essential screening services.

The Foundation is one of the principal forces behind the **Global Preventive Onco Summit 2026**, advancing the nationwide movement toward cancer prevention and early detection.

THE HANDS BEHIND: ABEY GEORGE

Abey George

General Secretary — Event Coordination Office

A key pillar behind the execution of the Global Preventive Onco Summit, Abey George has played a strategic role in institutional partnerships, community linkages, and national-level coordination. His leadership ensures effective collaboration among medical institutions, sponsors, government departments, and advisory teams.

His commitment to strengthening preventive oncology and community outreach continues to drive the mission of the summit.

SUMMIT OBJECTIVES

Establish the International Preventive Oncology Institute:

A global centre for research, screenings, diagnostics, and preventive-oncology innovation.

Expand Cancer Screening & Early Detection Facilities:

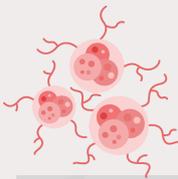

Strengthening OPD models, district-level screening access, and hospital-supported outreach.

Introduce Comprehensive Cancer Insurance Support Packages:

Supporting vulnerable families with financial protection and treatment assistance.

Strengthen the Kerala Cancer Literacy Mission:

A statewide program promoting awareness, education, and preventive health behaviour.

EVENT TEAM & STEERING COMMITTEE

Steering Committee Chairperson
Adv. Meenakshi Lekhi

Former Minister of State for External Affairs & Culture, Government of India

Adv. Meenakshi Lekhi is a distinguished national leader known for her contributions to governance, global diplomacy, public policy, and social development. With her strong commitment to public welfare, women empowerment, and community health initiatives,

she brings exceptional strategic guidance to the Global Preventive Onco Summit 2026. Her leadership strengthens the summit's mission to advance preventive oncology, foster international collaboration, and build a healthier, cancer-safe future for communities across India and beyond.
